General Disclaimer

Analyzer AI s.r.o. ("Trading Analyzer.ai") is not a registered investment advisor, broker-dealer, or provider of investment advice. We do not suggest which securities to buy or sell. Analysts, employees, or affiliates may hold positions in the discussed stocks or industries. Any performance mentioned reflects past results and does not guarantee future returns. Timing of information may affect investment performance, and there is no assurance that any strategy or product discussed will be profitable or suitable for your portfolio.

Trading securities, especially in foreign exchange, carries significant risks, including leverage, creditworthiness, limited regulatory protection, and market volatility, which can impact the price and liquidity of a currency or currency pair. Trading Analyzer.ai, its authors, and affiliates are not responsible for your trading or investment outcomes. Statements made on the website or in publications are accurate as of the stated date but are subject to change.

There is no guarantee that any method or technique discussed will lead to profits or avoid losses. Past performance by any trader or system published on Trading Analyzer.ai does not predict future results for you.

Website Disclaimer

Content on this website, including indicators, strategies, articles, and guides, is provided for informational purposes only. It does not constitute investment, tax, legal, or brokerage advice, nor is it a recommendation to buy or sell securities. Trading Analyzer.ai does not guarantee the accuracy, completeness, or profitability of the information. You are responsible for conducting your own research and seeking advice from qualified professionals before making any investments. Trading Analyzer.ai does not guarantee the solvency or financial condition of any mentioned securities.

Limits of Liability

To the fullest extent allowed by law, Trading Analyzer.ai and its affiliates will not be liable for any damages, including direct, indirect, incidental, or consequential damages, related to the website's use, errors, or your trading results. We are not responsible for losses related to your investments.

Testimonials Disclaimer

Testimonials on the site reflect individual experiences and may not represent all users. Individual results may vary. Testimonials are posted as received, with minor edits for clarity. Users are not compensated for their reviews, and their opinions do not necessarily reflect the views of Trading Analyzer.ai.

Refund Policy

Due to the digital nature of our products, refunds are generally not offered. Satisfaction with our products is important to us, and any refund requests are considered on a case-by-case basis.
